NO. 4

No Reaction To Anti-Polio Shots Reported In Milam Co

Dr. John Bryson, head of the County Health Unit, reported that not one shot of the Cutter Laboratories Anti-polio vaccine was given in the Milam free polio vaccine program.

The Cutter polio vaccine was ordered off the market Wednesday after one death and seven cases of paralytic polio occurred in the nation among children vaccinated with it. The Cutter ban was issued by the U. S. Public Health Service.

Dr. Bryson's comment was backed up by a state health department official in Austin who stated that none was given to any Texas children in the free program.

Surgeon General Leonard A. Scheele pointed out that the unfortunate polio cases were probably a coincidence, with the children "on their way to getting polio before they got the shots". He reminded that studies indicate it takes more than a month to build up effective antibodies after the injections are given, adding that the vaccine could not be expected to be 100 per cent effective immunity could be built up in the two weeks that elapsed between inoculation and the onset of the illness.

Dr. Bryson stated that 981 requests slip have been received for the series of shots, with no reactions reported from the first shots. He said that 849 of the shots were requested to be given in school, with all of the first of the series completed except 51 absentees. He asked parents to bring these children to the County Health Unit offices in Cameron any Wednesday afternoon, or at the City Hall in Rockdale on Thursday afternoons, to receive their shots.

Out of the 132 requests for private family physicians to give shots 80 have thus far been given. The last in the series of two

free shots will get underway in Cameron next Monday, with Dr. Bryson and his assistant in the Ben Milam Elementary School at 9 a. m., at O. J. Thomas at 11 a. m. and at St. Anthony's at 1 p. m.

The Marlow first and second graders will be at the Ben Milam school for their second shots. He added that requests for the

anti-polio shots are still being received, but, at the present time, stated there is just enough supply of the vaccine on hand to give to the absentees. He urged that parents continue sending in their request slips, however, in that they might be able to provide the shots when the second batch of free vaccine arrives.

Fisher, Michalka Lead Senior Class

Twelve students, headed by Wayne Fisher and Frances Michalka, were listed as honor students of the 1955 senior class of C. H. Yoe High School, S. M. Layfield announced Tuesday.

The students are chosen after averages of their junior and senior year in high school are averaged and all students making the honor list have an A- or better average. Points are based as follows: A plus is 6; A is 5 and an A- is 4 points.

Wayne, who is the valedictorian of the class had an average of 5.7. He is the son of Mr. and Mrs. C. N. Fisher. Frances Ann Michalka, salutatorian, daughter of Mr. and Mrs. Bill Michalka, has a two-year average of 5.575.

Ann Wimberly, ranking third in the class, has an average of 5.4. She is the daughter of Mr. and Mrs. D. S. Wimberly. Fourth is John Carroll Russell, son of Rev. and Mrs. A. F. Russell, with an average of 5.375. Fifth is Lillie Ann Jekel, with a 5.1875 average. She is the daughter of Mr. and Mrs. Conrad Jekel, Jr.

Other honor students are: Yvonne Storey, 4.9; Joyce Wallace, 4.7; Joseph Courtney, 4.6875; Anita Nabours, 4.425; Joe Lee Heitman, 4.1875; Carroll William Boecker, 4.1875; and Billie Nell Johnson, 4.075.

Commencement exercises are scheduled May 30 with eighty-three seniors to receive their diplomas.

Investigation, T-V Topic of Firemen

Don Massey, with a film and a few well-chosen words gave complete picture of an official fire investigation within a city at the regular firemen's meeting Monday evening.

The film, made in Magnolia, Arkansas, depicted some of the many hazards found in average business-houses which cause some of the 10,000 deaths by fire each year.

Two of the characteristics most prevalent at most fires were depicted by two members of the Houston's Fieldsmen's Association, one was the clown "Stupid" and another was garbed in a skeleton's suit and appropriately called the "fifth horseman".

Some of the main reasons for fires pointed out specifically were electrical outlets and over-loaded fuse boxes, paint and containers of gasoline not correctly stored or used, greasy or oily rags or piles of debris found in the closets, rubbish and open dry-grass covered fields. All of the points would be tagged with a red "Fix-me" sign if an investigation were held in Cameron.

Fellowship Day To Be Observed By Local Council of Church Women

"How can I give my children faith in God?"

"How can I teach them constructive attitudes and moral values?"

Massey and Jimmy Wiggs, representative of a local fire insurance company, emphasized that a good housekeeper is a good fire insurance risk.

Several firemen brought out that Cameron's Fire Insurance rate is high and means for lowering the rate were mulled over informally. Following the film and the talks by Massey and Wiggs who are investigating the Fire Investigation program in Cameron, Narvie Caperton, president of the volunteer fire (see "Firemen", back page)

Variety of Diseases In Milam Last Week

Chickenpox was the most prevalent disease in Milam County for the week ending Saturday, April 30, with 26 cases reported to Dr. John Bryson, head of the County Health Unit.

There were also 14 cases of strept throat, seven of measles, 6 of pertussis, three of gonorrhea, 2 of mumps, on case of Inf. f. Serum hepatitis and one of infectious mono-nucleosis.

Mr. and Mrs. John Frank Brown

Know Thy Neighbor...

by Fred Petmecky
Several decades ago a young man passed through a small Texas town on a train. He got a quick look at the town and promptly forgot about it as the train left it behind. The young man had no way of knowing then that he would someday come back to that town and become its leading contractor for many years.

During the years following his passage through that small town, the man went about his business, that of superintendent of construction in the building of United States post offices, as he had in the past. In 1917, John Frank Brown was sent back to the town he had glanced at from the train to build a post office. He built the present United States Post Office at Cameron, Texas. Then, leaving his family in Cameron, he went to Basin, Wyoming, to build another post office.

At Basin he built the last of a long string of post offices. He started the building of government post offices in Emporia, Kansas, where he was born. After completing plans at Emporia, he went to Independence, Kansas to oversee the building of their post office. When finished in Independence, he was sent to La Porte, Indiana. From there he went to M Calaster, Oklahoma, and then to Muskogee, Oklahoma, followed by Douglas Wyoming, Anoka, Minnesota, Cameron, Texas, and finally Basin, Wyoming.

Mr. Brown returned to Cameron after being separated from his family for over a year. He didn't take his family with him because his children were attending school and he did not want to upsent their school year by moving them to an (see "Neighbor", back page)

Rural Mailbox Improvement Week

The week beginning with the third Monday in May has been designated officially and permanently by the Post Office Department as Rural Mailbox Improvement Week. In continuation of the valuable work in previous seasons to repair or improve the rural mailboxes of the nation, a vigorous campaign will be launched again this spring, to carry on this worthwhile project.

Here are a few pointers for R. M. I. Week.

- (1) See that posts are securely erected — are not leaning badly — and that box is fastened securely.
- (2) Replace obsolete box if it is hard to get mail into it, or if it is hard to see into it for letters that you want mailed.
- (3) Name should be painted on side of box which carrier approaches (or can be on front of box if several boxes are closely grouped together.)
- (4) It is a big help if several boxes are neatly and closely placed on a plank extending between two posts.
- (5) Bottom of box should be 42 inches above roadway, and should be on an arm extending out away from the post, in such a manner that it can be easily reached, with all obstructions (including snow and parked cars) promptly removed.
- (6) Fill ruts with crushed rock or broken brick or cement.
- (7) Drive your own car up to your box. If you can easily reach your mail from behind the wheel of your car, reaching out the right hand side as the carrier is required to do, then the chances are that your box is pretty well located. But better yet, talk to your carrier about the proper location, and the correct setting.
- (8) Your carrier serves this box 305 days every year. If it is correctly set, it lightens his work and saves him time so that he can more quickly serve other patrons farther along his route (and saving his time can save the Government money.)
- (9) This will be appreciated, for with the rapid development of housing on acreages, the work load of most rural carriers has more than doubled in the past few years.
- (10) Your mailbox is the front door to your home. Since it is usually in front of your home, its neat appearance will add considerably to the neat appearance of your home. Ruts filled — box and post painted white — possibly a few flowers planted behind it.

Pictured reading from left to right, Arthur Inge, and daughter Stella, Robert Jungmann, Ist. V. President, of the Milam County Farm Bureau and Chairman of the Swine Committee, Virginia Ray Abel, and father Floris Abel. The girls were the winners in the recent Farm Bureau Swine Program.

Internal Revenue Office Removed From Cameron

The Internal Revenue Office in Cameron has been disbanded due to the fact there are not enough delinquencies in the County to warrant an office here.

Internal revenue agents R. L. Philley, District Director of Internal Revenue and C. H. Bobbit, Chief Delinquent Account and Returns agent, disclosed the details in a discussion with the Industrial Committee of the Chamber of Commerce.

They pointed out that Cameron is among many cities where the Internal Revenue office is being closed. Some of the others include Hillsboro, Mexia, Orange, Beeville, Yoakum, Alice and Brady.

Any questions local taxpayers have, they stated, can be taken to the Temple office or mailed to the Internal Revenue Department in Austin where prompt attention will be given to all inquiries.

They brought out the fact that offices in cities the size or even larger than, Cameron are maintained for the purpose of collecting delinquent accounts and when the delinquencies decline to a certain point there is no alternative but to close the office.

Schultz, who was in charge of the office here, has been transferred to the Corpus Christi office.

Lester Williams, of the Industrial Committee of the C of C, stated that the local members of that organization greatly appreciated the fact that the government officials took the time and effort to make explicit explanations on the removal of the office and feel that the move is very understandable.

Weekend guests in the home of Mr. and Mrs. Dan Thweatt were their children, Mr. and Mrs. Lee Walker and three children of El Paso and Mr. and Mrs. B. F. Angell and son of Brazoria.

Mrs. J. W. Meyer of Buckholts was a business visitor here Monday.

TRADE IN CAMERON

Rumor of 250 Foot Oil Sands In Milam Field

The Texas Gulf Sulphur Co. No. 1 Fee, Milam County wildcat which has excited considerable rumor and sparked hopes of a new drilling trend for the north part of District One, was drilling ahead below 10,000 feet at last report.

Operators still were releasing no information on the test, but were reported still adding to their block of between 6,000 and 8,000 acres around the well.

Reliable rumor is that 250 or more feet of saturated sand had been cored between 9,500 and 9,800 feet on this wildcat, on which 7-inch casing now is set to 9,870 feet.

Reliable sources identify the saturated areas as in the base of the Cretaceous or possibly in the Smackover of the Jurassic. It was emphasized that the saturation was in sand, not lime. Some sources thought the saturation was in the Cotton Valley, in the top of the Jurassic above the Smackover.

Whatever it is, it's the hottest wildcat ever drilled in the north part of District One. If it pays off, it will be something entirely new for this area.

Nearest Smackover production is 60 or 70 miles to the north—in Limestone County, near Mexia—an oiler at 8,565-76 feet. This well is in the old Mexia Field, and was 90 miles southwest of previous Smackover production in Rains County, East Texas. Franklin and Bowie Counties, also in East Texas, have Smackover production. This makes only 5 areas of the state with finds in this formation.

The Texas Gulf well, on fee 1 and bought originally for lignite prospects, is near the Minerva Rockdale shallow production. It is off the Milano-Rockdale road, no far from Milano.

Byrd Oil Co. of Dallas has spent around amillion dollars in deep Milam County drilling, but only one

an editorial...

Approximately \$300,000 of County Taxes will be spent on Milam roads this year, without one single mile of new paving or new roads coming out of these funds.

The amount of taxpayers money going into old gravel roads and far-from-permanent wooden bridges is mounting higher each year.

In 1948 the cost of maintenance was \$133,714.80; in 1949, \$141,983.04 was spent; in 1950 the cost jumped to \$167,510.99; in 1951 the maintenance was more and rose to \$184,379.22; in 1952 the cost jumped again, to \$237,030.46 (which included the cost of right-of-way on Highway 190 from Cameron to Bell County) and in 1953 the cost jumped once more to \$263,165.00 (Including the cost of right of way on Highway 79 from Alcoa to the Underpass project).

This year the maintenance of the old roads has reached its all-time peak, \$300,000.00. This sum leaps enough to make everyone wonder about next years taxes and Charles C. Smith, Jr. presented a logical, well thought out plan for road maintenance.

Sometime ago County Judge improving Milam County Roads by providing all-weather roads between outlying communities and trading centers and accomodating at least 90 per cent of the rural travel while providing for needs of the schools.

A Citizens Advisory Committee was called for their comments and recommendations. They, like average people usually do, saw only the initial out-lay of funds and suggested that the County wait and see what the Federal Government and the State would allow the county this year for roads.

The out-come of the allocations is much as expected. Everytime anyone waits for the other fellow to do his job he gets the jolt he deserves. These are Milam County Roads. The people of Milam County of them, it is up to them to take care of their own needs.

There were 176 miles of permanent roads, key roads, carrying most of the traffic, provided for in Judge Smith's plan. If these roads, paid for in the most part by Alcoa and the large land owners

taxes, with homesteaders not called on for extra taxes, are built where the State Highway Department says they should go and if they were constructed by highway Department standards then the Highway Department will take them over for maintenance.

That \$300,000.00 being spent for maintenance this year could be going for a much better cause, building new highways suitable for the traffic needs of today.

Some have been automatically against the plan because of the man who devised it. This is immature and a complete carrying out of the old adage "cutting off your nose to spite your face". Any plan as well constructed and planned as the Judges deserves to be thought about and well read by all the citizens in Milam County.

Many of those against the plan have been the monied class of people, unwilling to pay the extra taxes the plan would cause them to pay.

Fortunately there are more average people than monied people, for it is the small men and women that are responsible for the gress in America, both nationally and locally.

Call on your County Judge with your questions. Let him explain the plan he has formulated for your benefit. Demand your road-rights.

True, when these highways were built they were good roads. Our forefathers were evidently a lot more fore-sighted than the people of today. They built the best and got many years of good service out of their roads. This generation can not hope to sit back on their laurels and still have the genuinely good facilities their fathers had without working for them.

In all the counties around us the highway system is being improved with that county's funds. Seventy miles of highway are being completed in Travis County this year. Sixty miles of paving are slated for Austin County this spring and summer, which includes 22 projects costing more than \$170,000.00.

Don't let Milam have the only bad roads in the state, set the ball to rolling now for better roads in Milam in the future.

Rumor of 250 Foot Oil Sands In Milam Field

The Texas Gulf Sulphur Co. No. 1 Fee, Milam County wildcat which has excited considerable rumor and sparked hopes of a new drilling trend for the north part of District One, was drilling ahead below 10,000 feet at last report.

Operators still were releasing no information on the test, but were reported still adding to their block of between 6,000 and 8,000 acres around the well.

Reliable rumor is that 250 or more feet of saturated sand had been cored between 9,500 and 9,800 feet on this wildcat, on which 7-inch casing now is set to 9,870 feet.

Reliable sources identify the saturated areas as in the base of the Cretaceous or possibly in the Smackover of the Jurassic. It was emphasized that the saturation was in sand, not lime. Some sources thought the saturation was in the Cotton Valley, in the top of the Jurassic above the Smackover.

The Texas Gulf well, on fee 1 and bought originally for lignite prospects, is near the Minerva Rockdale shallow production. It is off the Milano-Rockdale road, no far from Milano.

Byrd Oil Co. of Dallas has spent around amillion dollars in deep Milam County drilling, but only one

vered only salt water with a salinity of 95,000 parts per million. Lack of good source rocks was believed by Byrd employees to have caused the accumulation of water rather than oil or gas.

The Byrd well was plugged back to 7,710 feet, and completed in the upper Pettit (Sligo) at 7,682-7,700 and in the upper Glenrose at 6,245-316 feet.

Dr. Bowman Elected New President Of Lions; Installation In June

New Lions Club officers nominated by the nominating committee were unanimously accepted by the

members at the recent Lion meeting.

Dr. George Bowman was elected president; Don Humble, first vice-president; Lewis McKee, second vice-president; Jack Prescott third vice-president and Rev. Harsh Brown, secretary and treasurer.

Second year directors are C. J. Sutter, V. J. Hannon and Ray Lester with Jimmy Wiggs, Claude Triggs and Richard Williams as first year directors.

Jack Slaughter was named as Lion Tamer and Rev. Jim McKeown as Tale Twister.

Members of the nominating board were Dean White, Herbert Nance and Merlin Lester.

Outgoing officers are Lee Marek, president; Dr. Bowman, first vice president and Jack Slaughter, secretary-treasurer.

Dr. Bowman, who was in charge of the program for the day introduced Richard Wilkinson, Dwayne Bowley and Joe Lee Heitman who played and sang several numbers for the entertainment of the members.

It was announced that installation of the new officers will take place in June.

Charles Brady, Sr. will be in charge of the next regular program.

Social Security Representative Here Tuesday, May 10

A representative of the Social Security Administration Office in Austin, Texas will be at State Dept of Public Welfare here in Cameron on Tuesday May 10, at 1:00 p. m. according to information received from James B. Marley, district manager.

Mr. Marley added, "Were it not for the voluntary cooperation and aid given by Mrs. Mary Y. Green and Fitzhugh Gregory in providing our representative with space to meet with Milam county resitary for many of them to make a trip to Austin to transact their business with us. Much time and expense is thus saved the people of Cameron."

Most people are now directly affected by the old-age and survivors insurance provisions of the Social Security Act, as the 1954 Amendments are estimated to have increased coverage to a present figure of nine out of every ten workers and self-employed persons.

During the first four months of this year, many local residents called at the Department of Pub-curity matters with their representative, John Pace.

an editorial...

Reports of poisoned dogs are still coming in from all parts of Cameron. Parents and dog-owners are cautioned to beware of poisoned foods which may be tossed into their yards.

The rapid-acting strychnine is responsible for the deaths, which could as easily kill a child as an animal. The painful death-dealing poison has few marks of identification, it is colorless, inodoruous, crystalline, unalterable by exposure to the elements — its only identifying feature is its bitterness.

Final reaction to a dose of strychnine is very much like lockjaw and other tetanus affections.

In the earlier stages parents and dog-owners were cautioned by a local druggist to watch for a rapid pulse, nervousness, a tenderness in the victims hands and feet and finally, convulsions.

If any of these symptoms are noticed the dog should be taken to the veterinarian or the child to the doctor immediately. If there is any necessity in waiting for medical treatment a warm strong salt solution should be given to make the victim vomit, with the operation repeated at least three times.

Lists are kept at all drug stores of persons purchasing any kind of poison. We are requesting that all those having had dogs or other animals killed by strychnine recently are requested to contact the Herald office, phone 282.

Milam, Bell And Falls Counties To Receive Electric Benefits From REA Loan

Milam, Bell and Falls counties were listed among the counties to receive the benefits of a \$2,310,000 loan to the Brazos Electric Power Cooperative by the Rural Electrification Administration.

The loan to the cooperative concern is to construct approximately 146 miles of transmission lines and to build 12 additional substations. Congressman W. R. Poage and Senator Price Daniel wired

the news to the cooperative office in Waco.

H. A. Dalton, assistant manager, reported that the money will be used chiefly to improve the service of the cooperative by addition of new devices on its 1,100 miles of existing transmission lines in a 35,000 square mile area in 54 Texas counties. It will add some new customers to the 80,000 farm and ranch homes now served, but those additions will be incidental to the improvement of service. The 146 additional miles of transmission lines will be in short sections, and the 12 additional substations, added to the 60 existing substations, will be designed to give improved service.

Belton, April 23 - Standing on the steps of recently completed Luther Memorial Hall at Mary Hardin-Baylor college is Dorene Margrett of Buenos Aires, Argentina. She is the great-great-granddaughter of Dr. John Hill Luther who lived and worked in Luther Hall which was destroyed by fire in 1929. The archways which were left standing have been used in the memorial. Dr. Luther's daughter, who was Dorene's great-grandmother, was the first woman ever to go to South America as a Missionary, Anne Luther Bagby. Seated on the steps, left to right, Lois Westerfeld of Crawford and Mary Cowan of Rt. 3, Killeen. They are all freshmen at the college.

New Officers Installed At A&M Muster

The Milam County A & M Club held its 1955 Annual Muster at the Cameron Country Club Thursday, with 75 men and their guests attending.

Ed Parnell, member of the Texas A & M College Athletic Council, from the College Poultry Department was the speaker for the evening and his subject was on "Trends and Traditions of A & M". After the Muster services the 1954 Baylor A & M football film was shown.

New officers of the club were installed for the coming year and they are as follows:

President, Jim H. Baugh of Rockdale; Vice president, Alton Fuchs Leon Noack of Rockdale; Council Representative, Niley J. Smith of Cameron.

Board of Directors are: Frank Bridges and J. D. Moore of Cameron; Earl Voskamp and B. B. Tyus of Rockdale; Newton Butts and Sid McQuary of Thornedale.

The following committees were appointed: 1956 Muster Chairman, Walter Fischer, Rockdale, 1956 nominating chairman, Jack Tumlinson of Cameron; Rockdale Summer Meeting Committee Chairman Bill Saage, Rockdale, Cameron Fall Meeting Committee Chairman is Bill Arthur.

Outgoing officers were President Jack Tumlinson; Vice president, Jim Baugh, secretary-treasurer, Roy Wright and Council Representative Bill Saage.

of Cameron; Secretary, treasurer,

G. Henderson Injured In Car Accident

Gerald Henderson of Cameron was seriously injured when his car skidded on loose gravel on the Yarrellton road Tuesday night causing the car to hit one tree and become wedged between two others.

Passers-by reported the accident and a local ambulance took him to a Cameron Hospital, where his condition this morning was reported as good.

The accident, which occurred at approximately 11 p. m. Tuesday, completely demolished Henderson's automobile.

A. Kotrola Returns To Duty With Navy

Albert Kotrola, who has been on leave from the U. S. Navy for the past 25 days, is returning to duty today.

Albert, the son of Mr. and Mrs. J. A. Kotrola of Cameron, has been visiting his family and friends during his stay here.

He has been in the Navy for 15 months, having previously been stationed at the Naval Hospital in San Diego, Calif. He reported that he will now be stationed at the Naval Medical Center in Bethesda, Maryland where he will serve as a corpsman.

Eagles Beat Yoemen 6-4

Georgetown Eagles added a District 18-A victory to their score by beating the Cameron Yoemen, 6-2 here Tuesday afternoon.

Joseph Michalka knocked a home run in the last inning to bring in a point and another score by Steve Polzer, who was on base.

Georgetown scores were made in the first inning, and two points in the seventh.

Michalka was on the mound for Cameron and relieved by Alvin Baggerly in the seventh. Jimmy Rettig was behind the plate.

Herman Yezak Passes Bar Examination To Become Lawyer

State Representative Herman Yezak of Bremond took the oath of an attorney and he was awarded a license to practice law in special ceremonies held by the Texas Supreme Court and the State Bar on Wednesday, April 20. Chief Justice Hickman of the Supreme Court administered the oath to about 100 new lawyers.

Yezak passed the March bar examination given to candidates for new attorneys.

He studied law at the Law School of Baylor University and the Law School of Texas University. He is a graduate of Texas A & M College.

The Yezaks have three children, Robert, two and one-half, and George, seventeen months.

Local FB Leaders To Attend Waco Training Clinic

Milam County Farm Bureau leaders will attend a training clinic April 28 at the Roosevelt Hotel in Waco, Texas according to John A. Smith, president of the county farm organization.

The training school is one of 13 being held over the state this week by the Texas Farm Bureau. Purpose of the clinic is to give training to key county Farm Bureau leaders to enable them to maintain effective service-to-member programs and efficient office administration.

District Director, S. W. McClaren, Jr. of Cameron, Texas will be in charge of the training session. Assisting him will be Bob A. Lilly, Field Representative, and Harold Moore, Area Supervisor.

Attendance at the clinic is limited to the president, service committeemen, secretary - treasurer, service agent and office secretary from each county organization in this district.

Attending from Milam County will be John A. Smith, Robert Jungmann, Charles Bailey, D. M. Phillips, Joe Zajicek, Ira L. Burns, Wm. F. Arthur, and Miss Lenora A. Bickett.

The meeting will begin at 10 a. m. and will be concluded by 3:30 p. m.

Pick PEARL

ALWAYS SAY... "BOTTLE OF PEARL PLEASE"

Punch-line to the year's hottest power story -

Chevrolet "Turbo-Fire V8"!

This is the engine that's writing a whole new chapter in the book of automobile performance records. This is the engine that has stock car timers doing a "double take" at their stop-watches wherever experts gather to compare the abilities of the 1955 cars.

For example, in the recent NASCAR* stock car competition at Daytona Beach, Florida, Chevrolet literally ran away from every other car in its class — and a raft of others besides. In the one-mile straightaway run for low-priced cars, the first two places — and six of the first ten — went to Chev-

rolets. And in acceleration runs from a standing start against all comers, the Motoramic Chevrolet beat all other low-priced cars — and every high-priced car except one!

What's behind this blazing performance? A compact honey of a V8 that only the world's leading producer of valve-in-head engines can build. Chevrolet's new "Turbo-Fire V8".

It puts a new kind of fun in your driving life. You're in charge of 162 high-spirited horsepower — or if you're looking for even more excitement, the new "Super Turbo-Fire V8" (optional at

extra cost) puts 180 h.p. under your toe!

Pick the one you'd rather have fun with, then come in and get behind the wheel. You'll see why the Motoramic Chevrolet is showing its heels to every-one else on the road!

*National Association for Stock Car Auto Racing.

Combine your new Chevrolet purchase with your vacation plans!

Order a new Chevrolet through us, then pick it up at the plant in Flint, Michigan, see Chevrolets built, if you like, and drive yours home. Chances are, you'll save a substantial share of your vacation travel costs!

Winners of Swin Program Contest Are Named By Milam County Farm Bureau

The Milam County Farm Bureau each year sponsors a Swine Program for the boys and girls of Milam County whose parents or guardian is a member of the Milam county farm bureau.

The winners raise and care for the pigs they win during the year under the supervision of the Swine Committee, and when the pigs are a weeks old the committee selects a pig from each group to pass on to the winner for the next year.

Contestants are given a cash prize, and also permitted to keep the remaining number of pigs in the litter.

First prize is \$15.00 second prize \$10.00.

Winners in the 1955 drawing were Stella Inge, daughter of Mr. and Mrs. Arthur Inge, Buckholts Texas Route 2, and Virginia Ray Abel, daughter of Mr. and Mrs. Floris Abel Buckholts, Texas, Rt. 1.

Taking first place money for the 1954 were Bertha Miller, daughter of Mr. and Mrs. Hugo Miller, of Burlington, Route 1, first prize of check of \$15.00, second place was given to Sharon Swany daughter of Mr. and Mrs. A. T. Swany.

Elmer H. Mees Dies In Temple; Funeral Services Friday

Elmer H. Mees, 41, of near Belton, died at 1:30 p. m. Wednesday, April 27 at McClosky Hospital in Temple. He became ill Wednesday morning and was taken to the hospital where he later suffered a heart attack.

Funeral services were scheduled at 9 a. m. at the Church of Visitation at Westphalia, Friday, April 29, with the pastor, Msgr. Robert P. Schertz, officiating. Burial in the Saint Mary's cemetery at Westphalia.

Rosary will be recited at 8 p.m. Thursday at the Chapel of Greens Funeral Home in Rosebud.

He was born February 1, 1914 in the Westphalia community and lived most of his life in that community where he was engaged in farming. He is a veteran of World War II, serving in the Marine Corps and was discharged in 1946.

He was employed at McClosky Hospital at the time of his death. He is survived by his widow, the former Verna McAtee; his mother Mrs. Frank Mees of Rosebud; three daughters, Frances, Margie,

ret, and Cynthia Ann Mees, all of Belton; a son, Terry Mees of Belton; one sister, Mrs. Johnny Olbrich of Houston and two brothers, Eugene Mees and Willie Mees, both of Cameron.

CARD OF THANKS

We want to express our thanks to all who in any way assisted us during the death of our loving husband and father. We want to thank the Doctors, nurses, Father Buxkemper, pallbearers, Greens Funeral Home and those who gave flowers food and for Mass. Your kindness will live in our hearts. God bless you all.

Mrs. Joe L. Gerick, Sr. and children.

Son And Brother Of Local Men Dies Saturday

Jerry J. Slovak, 36, of 211 Ho-man Avenue, died at 10:30 a. m. Saturday in the Veterans Administration Hospital in Memphis, Tenn. Funeral services will be held at Wilkison and Hatch Chapel Tuesday at 10 a. m., Rt. Rev. Msgr. J.J. Kearns officiating, burial in Oakwood Cemetery.

Mr. Slovak was employed in the engineering department of the city of Waco. He went to the hospital in Memphis about two weeks ago.

Survivors: his widow, a son, John Edward Slovak of Waco; a daughter, Grace Elizabeth Slovak of Waco; his father, John Slovak of Cameron; three brothers, Joe D. Slovak of Baton Rouge, La., Edward J. Slovak and Albert Slovak, both of Cameron; a sister, Mrs. T. E. Williams of Falls Church, Va.

Pallbearers: Paul Fugate, Claude B. Crow, H. C. Deaton, Miles P. Locke, Henry Hite and Les Fiselor.

Mrs. Henry McLane Hostess At Regular 42 Leisure Meeting

Mrs. Henry McLane was hostess to the 42 Leisure Club this week, with her home decorated throughout with arrangements of larkspur and cornflowers placed at vantage points.

Prior to playing games of 42 the ladies held their business meeting with Mrs. Charles Payne presiding.

Winners were Mrs. Leo Laake, high score; Mrs. August Gurecky, 84 winner; and Mrs. W. W. Balhorn.

There was one guest, Mrs. Jim Crouch, present at the meeting.

Following the games the hostess served refreshments of banana cake and ice cream to those present.

Their next regular meeting will be in the home of Mrs. August Gurecky on May 13 at 7:30 p. m.

Cancer Program Aided By Wholesale Beer Distributors

Texas wholesale beer distributors are helping the state's cancer control program this week by conducting a special "Cancer Thursday" April 28.

On that day, all members of the Wholesale Beer Distributors of Texas will conduct educational and fund-raising campaigns among the retail beer dealers in the state.

"Cancer Thursday" contributions will go to the American Cancer Society's Texas Division, and the Cancer Society's research, education and service programs.

The Wholesale Beer Distributors voted to undertake the project at their recent annual convention in Houston. W. R. (Bill) Schroeder of Lockhart is state chairman of "Cancer Thursday" activities.

"Cancer Thursday" will actually serve two purposes, as does the Texas Cancer Crusade being conducted this month. It will help get the facts about cancer across to Texans, and it will give more people an opportunity to support the cancer control program.

K. P. Contest Losers To Fele Winners June 30

In a very impressive ceremony the Rank of Knight was conferred at the Castle Hall of Milam Lodge Number 125 at their regular weekly meeting Monday night. Fred Carroll and David Perkins were initiated in the Ranks of Knight-hood.

Members of the Rank Team were Knights A. J. Smith, John Haygood, C. R. Allison, Dewey McElwath, Allen Dodson, B. L. Archer, Ed Gunn, H. H. Pruitt, W. H. Lucas, George Banzhaf, Valon Fogle, G. A. Rankin and Leland Green III.

Two applications for reinstatement were received. A contest between the members of the Lodge is responsible for increased attendance and interest in the Lodge. Losers of contest which ends June 30 will be hosts to the winners ends June 30 will be hosts to the winners with a banquet.

Brush Control Demonstration Set On May 9

There will be a brush control demonstration, for all farmers and ranchers in Milam County interested in brush control, on Monday, May 9.

Plans are for the group to meet at 1 p. m. in the dining room of the Milam Coffee Shop here in Cameron.

Slides on brush control will be shown and a discussion will be led by Mr. Garlyn Hoffman of A & M College, Range Department.

Following this discussion the group will go to the Culpepper land on highway 77 toward Rockdale, a short distance from where highway 77 leaves highway 36, better known as the "Y".

Clois L. Green Gets Rockdale Works Promotion May 1

Clois L. Green will be promoted to Chief Industrial Engineer of the Rockdale Works effective May 1. Works Manager J. D. Harper announced today.

In this capacity Mr. Green will head a new department at the plant and will handle industrial engineering problems for the entire works. Members of this department will study special problems of production, engineering, and industrial relations.

Green, who is a University of Texas graduate, joined Alcoa at the Rockdale Works November 1, had three years of industrial and cost engineering experience before coming to Rockdale.

He is married to Nettie Lou von Rosenberg of Cameron. They have two children, Brenda, 4, and Daryl, 1. The Greens live at 403 Calhoun Drive.

Four National 4-H Programs Carry Out Improved Living Theme

Four National 4-H programs are giving club members excellent opportunity to carry out their 1955 theme, "Improving Family and Community Living."

Beautifying the home inside and out, decreasing agricultural losses, and improving living conditions by adding to the convenience of the farm and home are the objectives of the National 4-H Home Improvement, Beautification of Home Grounds, Entomology and Electric programs.

There are 49,000 awards offered for those who do outstanding work. Incentives, valued at \$66,000, include 20 college scholarships of \$300 each, all-expense trips to the National 4-H Club Congress, 19-jewel wrist watches, and gold-filled medals.

In the Home Improvement program, 4-H'ers learn to make the home more attractive and convenient at a minimum cost. In a recent year, members made 475,000 articles and decorated 150,000 rooms. Awards, provided by the Sears Roebuck Foundation, include four medals for winners in each county, a trip for the state winner to the 4-H Club Congress in Chicago, Nov. 27 - Dec. 1, and eight \$300 scholarships for national winners.

Improving the appearance of the outside of the home is popular with 4-H members too. About 150,000 4-H'ers take part in the Beautification of Home Grounds program each year. Paint-up, fix-up and landscaping are all a part of their activities. In addition to making the home more attractive, property value is increased as a result of the 4-H'ers accomplishments. Medals for four county winners, a 19-jewel wrist watch for the state winner, and trips to the National 4-H Club Congress for eight national winners are made available by Mrs. Charles R. Walgreen of Chicago.

Belton Declares "Hazard Hunt"

BELTON, A Central Texas city declares all-out war against fire Wednesday and Thursday, May 4-5 with a two-day "hazard hunt" in every school, church and business building intown.

Inspectors will be trained "fire detectives" invited from the Alamo Division of the Texas Insurance Fieldmen's Association, according to Jack Tullock, Fire Chief. Each of the 50 inspectors is a special agent for capital stock fire insurance companies who make the fire hazard checks as a public service, Tullock said.

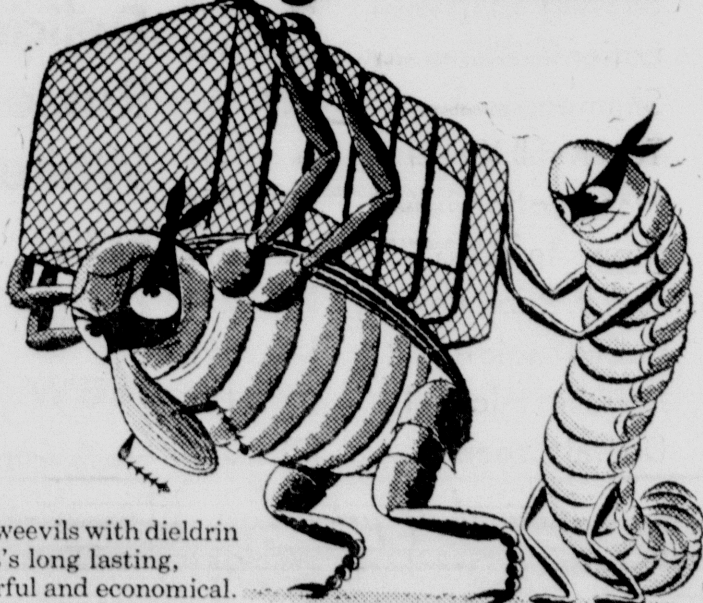

Sponsored by the Belton Fire Department, Chamber of Com-

merce and civic clubs, the blitz on blazes will be made by four-man teams composed of two visiting experts, a city fireman and a Belton Boy Scout. At each building, they will make an attic-to-basement check, marking each potential hazard with a fire-red "FIX ME" tag. In addition, they will give the building owner a tenant a list of hazards found together with suggestions for correcting all of them.

Diocesan Board Meets Tuesday At Simon-George Hall

The Diocesan Board of the Austin Diocese, National Council of Catholic Women, met at the Simon-George Hall Tuesday for its regular quarterly meeting.

The president Mrs. R. E. Portele of Marlin, presided.

Members of the Saint Rita Circle of the local St. Monica's Parish served a luncheon during the day.

Representing the Cameron NCCW District was Mrs. Pete Mikula, of Cameron. Also present were Mrs. David Shapiro, editor of the "Bulletin", a Diocesan publication and Dr. Audrey Boyce, assistant editor.

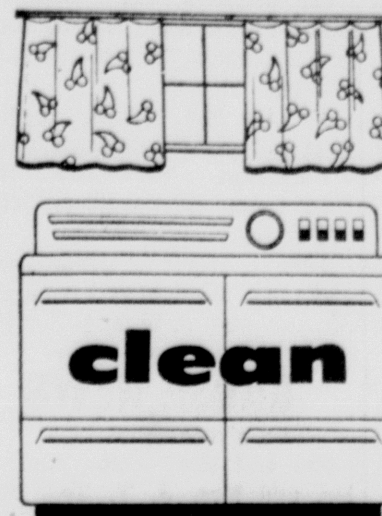

The Moderator, Father C. A. Saust of Rockne was present along with Father George Duda, pastor of the local parish.

Building Slow Here In April

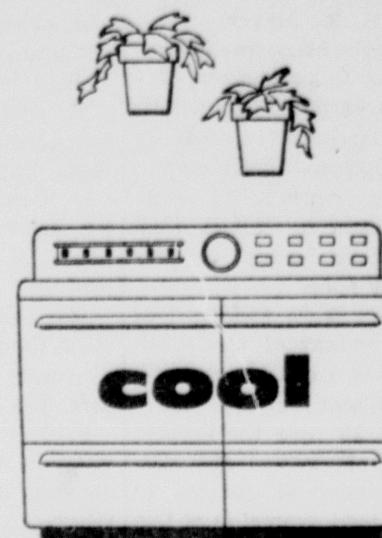

Building in Cameron during the month of April has been lax, with only four permits for new construction, amounting to \$32,500 being issued at the City Hall.

Repair during the month amounted to \$1,255, with one permit issued to rebuild, amounting to \$1,800 and one moving permit issued.

TEXAS POWER & LIGHT COMPANY

5 BASIC REASONS FOR PONTIAC'S RECORD-BREAKING SALES

1. PONTIAC COSTS LESS THAN ANY CAR EQUALLING ITS 200 HORSEPOWER

If you delight in flashing performance, here's all the reason you need to join the record-breaking thousands who are swinging to Pontiac. The 200 horsepower delivered by the economical Strato-Streak V-8 with the four-barrel carburetor, optional at extra cost, is the highest power ever delivered by a car at Pontiac's price—higher than that of cars costing considerably more. For thrift and thrills it's Pontiac all the way!

2. PONTIAC COSTS LESS THAN ANY CAR EQUALLING ITS LONG WHEELBASE

Model for model, Pontiac has a longer wheelbase than any car at its price, or any car delivering 200 horsepower... 122" or 124", depending on the Pontiac you select. That's size where it really counts—and it's important because a long wheelbase is the reason for Pontiac's smooth, road-leveling ride and the roomy comfort of Pontiac's large, luxurious Body by Fisher—advantages that put Pontiac on a level with far costlier cars for sheer riding pleasure.

3. PONTIAC COSTS LESS THAN ANY CAR EQUALLING ITS LUXURY-CAR STABILITY

The big, husky Pontiac with rugged X-member frame gives you the safe, solid feel at cruising speeds that motorists have formerly paid high prices to enjoy. And it links this road-holding comfort with ease of control like that of costly sports cars. You travel in superlative comfort in a Pontiac for the lowest price ever placed on such big-car stability.

4. PONTIAC'S DISTINCTIVE BEAUTY IS UNMATCHED AT ANY PRICE

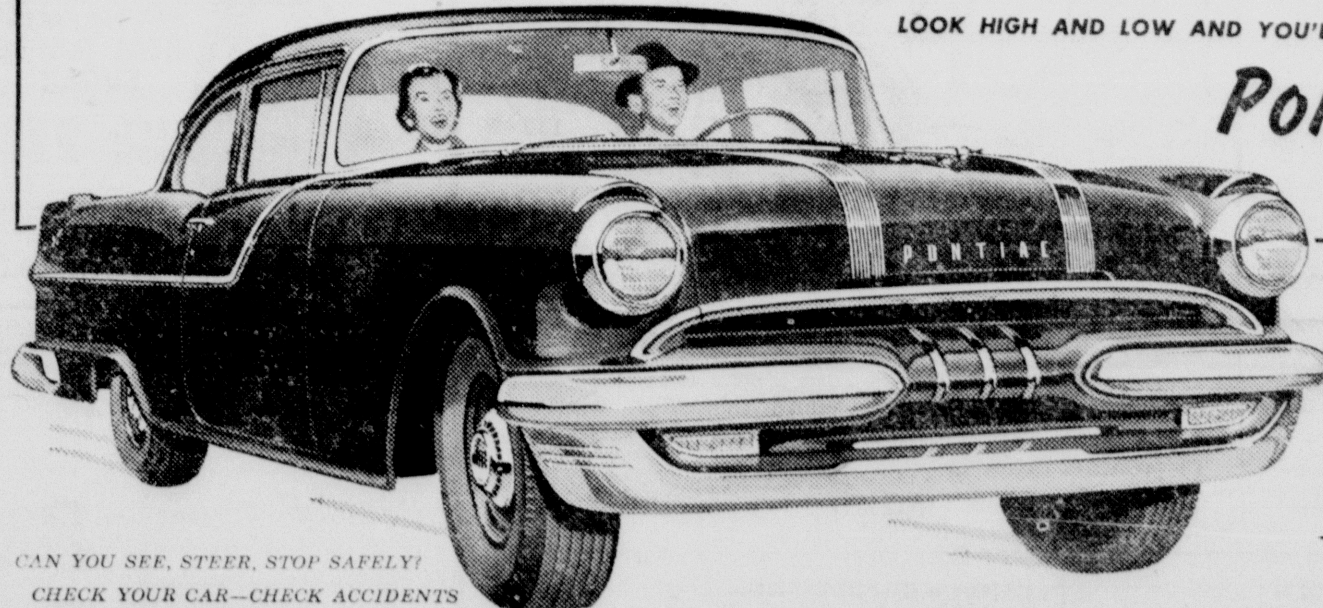

Pontiac's style and beauty are a perfect match for its colorful performance. Future-fashioned lines, Vogue Two-Toning and Twin-Streaked hood provide dash and glamour unsurpassed by any other car at any price.

5. You can buy a big, powerful Pontiac for less than many models of the lowest-priced cars and much less than stripped economy models of higher-priced makes

Come in and let us fill you in on all the facts and figures. We know you'll be pleased to see how little it costs to enjoy the pride and pleasure of fine-car ownership!

BUCKHOLTS NEWS

Mrs. J. W. Meyer

Mrs. Albert Kachick has returned from a visit to her mother, Mrs. Georgia Rohacek of LaGrange who is a patient under treatment at Johns Sealy Hospital in Galveston. Mr. and Mrs. Kachick and daughter, Carolyn went to Seaton Wednesday to attend funeral services for Mr. Perry Ellis.

Friends here were saddened at the news Thursday of the death of Kelly Robinson of Oklahoma City, Okla. who was born and raised in Buckholts. He was the brother of Mrs. B. M. McMillion and Mrs. Etoile Wittenberg of Rogers to whom we extend sympathy at this time. Mr. and Mrs. McMillion left Thursday night to attend funeral service and burial at Oklahoma City, Okla. where he and his wife, Elsie and children have lived a number of years.

Mr. and Mrs. Bruce Story of Baton Rouge, La., returned home Saturday after a visit here the past week as guests of her parents Mr. and Mrs. E. B. Hyer.

Visitors Sunday afternoon in the home of Mr. and Mrs. Herman Glaser were Joe Huschke and son,

of San Angelo who were former Milam County residents.

Mrs. A. R. Walschak, G. C. Williams and Mrs. E. Phillips were visitors in Temple Thursday.

Mr. and Mrs. Frank Zajicek's visitors the past week-end were their sons, S-Sgt. Frankie Zajicek Jr. of Ft. Worth and S-Sgt. Woodrow Ft. Worth and S-Sgt. Woodrow Zajicek of Lackland AFB in San Antonio.

Mr. and Mrs. B. M. McMillion spent the past week-end in Houston as guests in the home of Mr. and Mrs. Jim Britt.

F. O. Richter is in Houston as a guest in the home of his son and daughter-in-law, Mr. and Mrs. F. Richter, while commuting to and from Galveston for treatment at John Sealy hospital.

Mr. and Mrs. Joe Ruzicka have returned from a visit to Ft. Worth where they were guests of their son's family, Mr. and Mrs. Robert Ruzicka.

K. Y. Smith of Llano was a guest Saturday evening of his sister's family, Mr. and Mrs. R. W. Wall while en-route to Ft. Worth to visit another sister and family, Mr. and Mrs. A. E. Croft. He was accompanied by Dudley, Carolyn

and Judy Wall who will also be guests of the Crofts.

Mr. and Mrs. Udell Woodward and son Dale are week-end guests of his parents, Mr. and Mrs. Tal Woodward.

Mr. and Mrs. Charles Hundle's week-end guests are their daughter and family, Mr. and Mrs. Mike Wasserman and daughter, Debbie of Barkley.

John R. Meyer of Bryan was a guest Sunday night of his parents, Mr. and Mrs. J. W. Meyer.

GAUSE NEWS

By Yvonne Partridge

Demonstrations with slides, poultry house and equipment was conducted.

Rev. Lewis Newman preached here Sunday.

Alvin Cates, K. Cates and Jimmie Penrod of Ft. Worth were in

the George Logan home Sunday. They were accompanied home by Mrs. Mary Driggers who spent a week here.

Mrs. George Logan attended the H. D. Council at the First Baptist church annex in Cameron Monday.

Youth Week was observed here at the Baptist church. A dinner Sunday and ice cream supper Saturday night were held.

Mr. and Mrs. Arley Bishop and family of Snyder, Texas, Mr. and Mrs. Sam Lynch and family of Rosebud, Mr. and Mrs. Clifton Marburger and family of Cameron and Miss Theresa Mode of Belton visited their parents, Mr. and Mrs. Ollis Mode, and George Sunday.

At a recent meeting of Saint Rita's Circle it was decided by the

20 members present to give the Junior-Senior banquet for the Yoe high school students this year on May 12 in Simon-George Memorial Hall.

Dr. Audrey Boyce, president of the circle, stated that plans are being made for 160 to 180 to attend the annual banquet.

Plans were also completed for the Doxian Board Meeting which is being held at Simon-George Hall today, having started at 10:30 a.m. with a luncheon planned at noon.

Following the meeting Mrs. Bill Marek, hostess for the day, served refreshments.

Mr. and Mrs. John Kubish and Nancy and Miss Bobby Price visited T-Sgt. and Mrs. Cecil R. Meyer at San Marcos over the weekend.

Mrs. Meyer is a daughter of Mr. and Mrs. Kubish.

Smart shoppers know that they lose the savings that you get when you buy "specials" unless all other items on their shopping list are low in price, too. Safeway has weekly "specials" plus everyday-low, regular shelf prices — the lowest in Cameron. Here are 56 of Safeway's hundreds of everyday-low shelf prices, plus those in our advertisement on the opposite page, and you'll see why Smart Shoppers Shop Safeway for all their food needs,

Society In The News

Over 100 NCCW Members Attend District Quarterly Meet Here

Over 100 members of the National Council of Catholic Women from the Cameron District were present at their quarterly meeting in Simon-George Hall Sunday afternoon.

Mrs. F. Boriskie, of Bryan, District president, officiated at the meeting with Dr. Audrey Boyce, president of this parish giving the welcoming address.

Principal speaker of the day was Miss Peggy Dooley, who is in charge of Volunteer Service at McCloskey Hospital in Temple. She, and three of her co-workers, talked at length on the National Catholic

Community Services volunteer work. She explained that the volunteer work could mean to the participants and the recipients an indocination service, which will be held at McCloskey May 3 and 5. The all day meetings will start at 9 a. m. and continue through the day.

Another informative talk was made by Miss Gussie Schultz, Diocesan Library and Literary chair man. She told of the progress being made in cleaning up the news-stands of filthy literature by the N. O. D. L. and emphasized the growing need for constant vigilance in safeguarding children and adults against this type literature. Chairman of the local campaign is Mrs. Pete Mikula.

Mrs. Leo Laake acted as Registrar for the day with Mrs. W. W. Balhorn, Mrs. Richard Hollas and Mrs. Henry Schattler, Jr. serving on the reception committee.

Following the meeting a buffet style supper was served.

Other guests attending included Mrs. Siegel, of Austin, Diocesan Spiritual Development chairman; Mrs. Emmert, Alternate Representative of the N. C. C. S. and the Priests, Reverend George Duda of Cameron and Reverend Fuchs of Bryan.

Sapp Family Home Over Week-End

Visitors in the J. B. Sapp home during the week-end were:

Cpl. James Humpherys of Fort Hood, Sgt. Opal Sapp Humpherys of Ft. Hood; Mr. and Mrs. Buffalo Angell and Becky and Ken of Cameron, Odie Sapp of Milano, Mr. and Mrs. Robert L. Sapp and Con-way of Fannin, Texas.

Robert and family spent their vacation with their parents while here they and Mrs. Sapp and Janie visited friends and relatives in Killen and Rosebud, also visited Alcoa at Rockdale.

All of the children were home except A-1c John B. Sapp of Okinawa and A-2c Nancy Sapp of McChord A. F. B., Washington.

In a gun battle in Ranger, Texas involving three men, each man took one shot and all three were killed.

Engagement Of Rose Kolodejak Is Announced

Mr. and Mrs. Florian Kolodejak, of Cameron, have announced the engagement and approaching marriage of their daughter, Miss Rose Kolodejak to Carl Andrew Deck, the son of Mrs. Rose Osterstock of Easton, Pa.

The wedding has been planned for June 4 in the chapel at the Naval Air Station in Alameda, California.

Miss Kolodejak and her fiancée are both serving in the Navy and plan to continue their work in the Armed Forces.

Mrs. Vavra and daughter, Eleanor, of Caldwell, spent Wednesday with her sister, Mrs. Alfonse Sapp and family in Cameron.

Every dollar expended for library purposes is returned to the community tenfold, not necessarily in dollars and cents, but in the more permanent, more valuable assets of greater happiness, comfort and progress of the people. Support your Library.

Miss Nancy Holley, Granddaughter of The R. L. Storey's, Married In Houston Saturday

Mr. and Mrs. R. L. Storey of Cameron attended the wedding of their granddaughter, Miss Nancy Marie Holley in Houston Saturday.

Miss Holley and Mr. Edwin R. Friedrich, Jr., were married Saturday night and will live at 5321 Doolittle St. after their wedding trip. The Rev. W. G. Tanner performed the ceremony in the Garden Oaks Baptist Church.

Mr. and Mrs. Audley H. Holley of 2609 Bevis St are the parents of the bride, a former student of Southwest Texas State College and a member of the Allie Evans Literary Society. The groom, who attends the University of Houston, is the son of Mr. and Mrs. Edwin R. Friedrich of 2609 Bevis St.

Child on a white Bible, which was a gift from the groom, the bride wore a gown of Chantilly lace and tulle, with pearls edged, the neckline, her finger-tip illustrated veil was gathered to a lace and pearl trimmed Juliet cap.

Mrs. Jerry Fox was the matron of honor and Miss Yvonne Storey of Cameron and Miss Nelwyn Newman were bridesmaids. They wore blue gowns and carried bouquets of flowers. Flower girls were Jackie Gilliland and Beverly Farr.

The groom's attendants were Robert Kemp, best man, and Donald Morgan and Jerry Fox, the groomsmen. Waymon L. Holley and Gordon Harvey seated the guests, and Dale Ross Farr was the ring bearer.

According to a book publisher, only a person who has suffered can write a modern novel. If that's true, then we'd say that anyone who has read a modern novel can write one.

Mr. and Mrs. Truman Pembroke were in Waco on business Wednesday.

Buckholts 'May Fete' Slated Friday Night

On Friday night the Buckholts public school presented its annual "May Fete" in the form of a "May Fete Party" at the school gymnasium, beginning at 8 p. m.

The feature of the evenings performance was the crowning of the King and Queen of both the high school and grammar grades, determined by popular vote in a recent contest. Evelyn Glaser is high school Queen and Albert Abel, high school King. In the grammar grades, Carolyn Gonten was chosen Queen and Stanley Glaser, King.

Dukes and Duchess in the Royal court follow: 1st grade Duke, Tommy Gresak, Duchess, Patsy Inge; 2nd grade, Duke, Louis DeWald, Duchess, Margaret Burtis; 3rd grade, Duke, Oren Wills, Duchess, Carolyn Gonten; 4th grade Duke, Clifford Chavelier, Duchess, Betty Hanke; 5th grade Duke, Dwight Fuchs, Duchess, Shirley Kudlacek; 6th grade Duke, Thomas Tate, Duchess, Frances Weido; 7th grade Duke Ralph Taegal, Duchess, Nancy Zavrel; 8th grade Duke, Stanley Ray Glaser, Duchess, Charlene Kudlacek, 9th grade Duke Lealand Weido, Duchess, Mary Chevalier; Sophomores Duke, Albert Abel, Duchess, Bernice Janes; juniors Duke, Johnny Jungmann, Duchess, Evelyn Glaser; seniors Duke, George Weido, Duchess, Betty Jo Henson.

The 1st, 2nd, and 3rd grade boys under the direction of Mrs. Wittington presented a Rytham band drill, and Miss Walschak directed 1st, 2nd, and 3rd grade girls in a jumping rope routine, 4th and 5th, "Legend of David Crockett", by Mrs. Barker; 6th and 7th, "Flashlight Capers" by Miss Schmidt; Specilly by 8th grade under the direction of Mrs. Arledge; high school girls gave "Ten Pretty Girls", under the direction of Miss Mary Frances Chupick.

Proceeds will go toward next years senior trip, and the junior class funds.

Mr., Mrs. Paul Sheguit At Home In Cameron Following Church Wedding

Mr. and Mrs. Paul Louis Sheguit are at home in Cameron following their marriage April 13 at St. Monica's Catholic Church.

Mr. Sheguit, who completed his schooling at North Zulch High School, is employed at Alcoa Aluminum Company at Rockdale. Mrs. Sheguit graduated from Lott High School and is employed at the Citizens National Bank here.

Rev. Clyde Holtmann, pastor of St. Joseph's Church, Rockdale, performed the nuptial rites.

The bride was given in marriage by her father and she wore a floor-length gown of nylon tulle over satin with a fitted bodice of lace, designed with a high neck and long sleeves that came to a point over the hands. She had on a tier of pearls and rhinestones with a finger tip veil attached. She carried lilies of the valley and her mother's Mother-of-Pearl rosary.

Miss Ann Wilde of Temple, cousin of the bride, was maid of honor. Bridesmaid was Miss Agnes Sheguit, sister of the bridegroom. They wore gowns of mint green net over taffeta designed with a matching lace bodice and bolera. Their flowers were yellow mums.

Thomas Sheguit, brother of the groom was bestman while Lewis Goertz was the groomsman.

Mrs. Harvey Schneider of Burlington served the four-tiered wedding cake at the reception that followed in Simon-George Memorial

by Mrs. Barker; 6th and 7th, "Flashlight Capers" by Miss Schmidt; Specilly by 8th grade under the direction of Mrs. Arledge; high school girls gave "Ten Pretty Girls", under the direction of Miss Mary Frances Chupick.

Proceeds will go toward next years senior trip, and the junior class funds.

Hall. Miss Leola Richter poured coffee while Mrs. Thomas Sheguit attended at the brides book.

Later a dinner was served to immediate members of the families.

When the couple went on their wedding trip to points of South Texas, Mrs. Sheguit wore a navy blue suit with matching accessories.

Parents of the bride are Mr. and Mrs. Albert Goertz of Route 3, Rosebud. Mrs. J. W. Sheguit of Cameron, is the mother of the

groom.

Out of town guests at the wedding included Mr. and Mrs. Leo Ott of Bastrop; Miss Dora Goertz of Bastrop; Miss Ida Goertz of Austin; Mr. and Mrs. John Sheguit of Rosebud; Mr. and Mrs. John Ranley of El Campo; Eugene Goertz of College Station; James Goertz of Bryan Air Force Base; Mrs. C. G. Mesecke of Temple and Mr. and Mrs. Henry Beck of Temple.

Rip Woods has been appointed District Deputy Grand Master of District 10 of Oddfellows. Local Deputy of the Cameron Lodge in Truman Pembroke.

CREEP FEEDING PROGRAM BUILT BY EXPERIENCE

Purina fed 2,800 cattle to develop Creep Feeding Plans

When you feed your calves on one of Purina's Creep Feeding Plans you are getting the advantage of years of field research. These tests proved that it pays to creep feed calves the Purina way.

Tests were run on calves of various qualities and breeds and in all parts of the country. They averaged only 153 days in length.

Tests proved creep feeding paid off these 3 ways:

• More beef to sell—creep fed calves averaged 39½ pounds heavier.

• Upgrading—34% more Choice and Good calves.

• Extra cow condition—Cows with creep fed calves averaged 44½ lbs. heavier.

Yes, it pays to creep feed calves. And it pays to follow a plan that has been thoroughly tested and proved—like Purina's. Next time you're in the store let us figure out a Purina Creep Feeding Plan to fit your particular need. Make it soon!

It's Performance That Counts!

CAPTAIN ROGER DON RAE
uses Flite-Fuel in his car

"I fly one of the new Super-G Constellations for Trans World Airlines. Of course, I am familiar with Phillips 66 Aviation Gasoline because TWA uses it regularly. It's the Avgas with added Di-isopropyl.

"Now Phillips is putting Di-isopropyl in its automobile gasoline, too. New Phillips 66 FLITE-FUEL is the only automobile gasoline with added Di-isopropyl. I use FLITE-FUEL regularly in my own car, and I always get wonderful performance."

Captain Roger Don Rae
Trans World Airlines

For super performance, fill up with

Flite-Fuel

HIGHER OCTANE! New FLITE-FUEL is the only gasoline to which is added the super aviation fuel component Di-isopropyl. And today's FLITE-FUEL is better than ever. Both new FLITE-FUEL and new Phillips 66 Gasoline have been fortified for increased power, higher octane, longer mileage. Fill up at your Phillips 66 Dealer's.

In Driveway Service, too,
IT'S PERFORMANCE THAT COUNTS!

MACK'S OIL COMPANY

Soil Conservation District News

Supervisors: Edwin Fischer, A. W. Butts, Paul C. Graves, Clarence L. Stock and Hal Hartrick.

Calvin Markham, a co-operator with the Taylor Soil Conservation District, is beginning a conservation program on his newly acquired farm.

Mr. Markham recently bought a 170 acre farm in the Liberty community. In recent years the pastures have been badly overgrazed and only a sparse stand of native grasses are left. The farm had one small pond which is likely to dry up in the hot summer months.

Markham is now constructing a large pond which will give a permanent water supply. The pond is being located on a large gully. When it fills with water, it will prevent the spread of the gully. The spillway of the pond will be sodded to bermuda grass as soon as the pond is completed.

Recent years of drought plus overgrazing has destroyed much of

the native grasses in the place, however, enough little bluestem grass and Texas wintergrass is left to supply a source of seed. Markham does not plan to put any cattle on the farm this year and possibly not any next year. This will allow one or two full growing seasons for seed crops to be produced. Mr. Markham expects the native grasses to make a big improvement in the next two years. After this, the stocking rate is to be carefully controlled. A portion of the pasture will be deferred each year.

A small field of Coastal Bermuda is to be sodded this year. It will be used as a nursery plot for sodding more grasses next year.

Markham understands the cotton problems on his farm and has planned treatment of handle each situation.

In The House of Representatives

-by Herman Yezak

April 25-29. The Governor signed into law a bill raising driver's license fees from \$1 for two years to \$1 for one year. The bill also increased chauffeur's and commercial driver's license fees. The increased fees will authorize the Public Safety Department to add more highway patrolmen to its force.

According to a Senate bill, the membership of the Livestock Sanitary Commission would be increased from three to six members and it requires all segments of the Livestock industry to be represented on the Commission. It includes one Veterinarian.

The House and the Senate approved by overwhelming votes two different constitutional amendments on Tuesday. Each authorized another one million dollars for the Veteran's Land program.

The Senate finally passed a House bill which prohibits the use of intoxicating beverages at any field or athletic stadium when an athletic contest is sponsored by a public school. Penalty for violation will be a fine of \$25 to \$200.

A bill allowing the State Parks Board to issue bonds for improving state parks won its first round before the House by an 81-55 vote.

The Senate approved a previously Housed passed constitutional amendment authorizing the Legislature to appropriate money to compensate any person falsely imprisoned.

The House failed to approve a constitutional amendment to set up an automatic redistricting board for courts. The measure received ninety-eight votes which is two votes short of the one hundred necessary for passage.

The omnibus tax bill passed the

House on Monday by a vote of 86-53, and it was sent to the Senate. An effort was made and failed to delete the tobacco and snuff tax in the bill.

A Senate bill passed the House exempting buildings housing Veterans organizations such as the American Legion and others from a state ad valorem tax.

The Governor vetoed the first bill of the session. The bill would have raised the salary of the Criminal District Attorney of McLennan County.

On Thursday and Friday, the House worked on House and Senate bills that were on the local and uncontested calendar. Over 150 bills were passed.

The members of the House have introduced 933 bills while in the Senate the county stands at 427 Senate bills introduced.

Senator Jimmy Phillips of Angleton, a member of the Senate committee investigating the Veterans Land scandal, personally seized the original minutes of about one hundred meetings of the Veterans Land Board. The records will be photostated for future reference and then returned.

On Monday the Sixth Grade of the Hearne Elementary School and on Wednesday the Civics Class of the Thorndale High School and their teachers were visitors of the Legislature and on an educational tour of the Texas State Capitol.

A bill permitting the taking of rough fish by gill nets in Milam County was passed in the House on the local calendar and sent to the Senate. This is the bill that is unanimously endorsed by the Sportsmen Club of Milam County.

Cpl. John Small Gets Army Discharge

Cpl. John R. Small has returned to Cameron after completing two years of service and receiving his discharge from the Army earlier this month.

Before entering the Army in April, 1953, Cpl. Small was a resident here and was employed by a local taxi company. He also was

employed for several months as a service station attendant in Houston.

He received his basic training at Fort Hood, and was assigned to the Second Armored Division there. More than half of his two years, however, was spent in a tour of duty overseas in Germany. He was assigned to the 220th Medium Tank Battalion and stationed near Frankfurt.

He was returned to the United States by army transport to Camp Kilmer, New Jersey, and from there was sent to Camp Chaffee, Arkansas, for separation from the service.

Navy Joins To Fight Cancer

Four ships of the Eighth Naval District reserve training "fleet" will steam past the U. S. Naval Station at New Orleans May 2 on a "combat" mission. Two Navy destroyer escorts and two submarine chasers will join forces with the American Cancer Society in their education, research and service fight against the nation's number one killer.

More than 200 Naval Reservists from Arkansas, Louisiana, New Mexico, Oklahoma and Texas will stand on the Naval Station dock in a formation spelling out "ACS FIGHT CANCER" before

they board the ships for a two-week training cruise. The formation will be flanked by anchors made up of the "vacation sailors". Individual seven-foot letters will be displayed from the destroyer escorts USS WILLETT and USS HAAS, briskly spelling out "GIVE A. C. S. ' and "FIGHT CANCER". USS PCE 846 will complete the diamond formation flying her signal flags.

Dr. George Bowman Thanks Citizens

Dr. George Bowman, Chairman of the Health & Sanitation Committee of the Chamber of Commerce reports that the Clean-up Week was a big success. All over the city the people of Cameron cleaned their premises and the city trucks picked up the trash.

Bowman stated "I would like to thank the city for their splendid cooperation and to the Citizens of Cameron for making this project a success."

Keep Spine In Line Advertised During Correct Posture Week

Keep the spine in line and you'll feel fine, the chiropractors of Texas were advising this week in observance of Correct Posture Week,

May 1-7.

Dr. R. E. Hartong of San Antonio, Association president, said that Texans by observing a few simple rules in their daily living can avoid an aching back.

At work at a desk, he said, the correct sitting position is with the spine upright, not in a slumping position. The legs should not be crossed.

If your job requires lifting, advance one foot and sink down in a half-squatting position and let the thigh muscles do most of the work.

In walking, keep the chin and head up, lift the ribs for easier breathing, adjust the shoulders without straining and swing the arms to help swing the weight forward.

Dr. Hartong said the key word in good posture is "tall".

"If a person will practice walking tall, sitting tall, standing tall and sleeping tall, good posture and good health should result," he said.

"The way you walk, work, ride and play directly influences your spine which in turn governs many normal body functions. "The spine, in which chiropractors are specialists, is the kingdom of good posture."

The first non-stop flight around the world began and ended in Ft.

Army Worms In Corn and Maize

-by J. D. Moore

Army worms are damaging corn and maize in the Yarrallton and Belmena Communities to the extent that control measures are necessary.

These worms are small green worms and may vary in size and color. They are feeding on the growing terminal buds and doing some damage to the leaves. All farmers should examine their corn and maize.

One application of the following insecticides should give good control. One quart of Toxaphene per acre. To add a little better knock-out to the treatment, one quart of Toxaphene plus one pint of B.H.C. per acre or one quart of Toxaphene plus one pint of D. D. T. per acre. These same materials used as a dust will give good control.

Senior Play Big Success

The senior class play presented by the seniors and directed by Mrs. C. L. Canady, turned out to be a big success.

A full house saw plenty of action as well as a well-written dialect play. Especially liked by the audience were the two brats, Nan

Hubert and Ann Wimberly.

Yoemen Beat Taylor, 4-2

Cameron won its first District 18-A baseball game Friday afternoon downing Taylor's Ducks 4-2. Alvin Baggerly pitched all the way for the Yoemen allowing six hits. Duck pitcher Jack Baker also went the distance and gave up seven hits.

Jimmy Rettig, Yoemen catcher, blasted a home run, triple and a double to lead hitters.

Score by Innings:
Taylor 011 000 0 2
Cameron 111 001 x 4

Frank Hanel Honored On 60th Birthday

Frank J. Hanel was honored on his 60th birthday April 15 at a buffet supper given at their country home by his wife and children.

Following the supper Mr. Hanel opened his gifts.

Attending were his wife, and his children, Misses Anna Marie and Imelda Hanel, Mr. and Mrs. Clarence Hanel and family, Mr. and Mrs. Herman Hanel and family, Mr. and Mrs. Lawrence Greenwood and Mr. and Mrs. Anton Hanel and family.

Sgt. D. Williams Receives Discharge

Sgt. and Mrs. Douglas Williams arrived in Buckholts Wednesday while on vacation for a visit with his parents, Mr. and Mrs. Elmer Williams. Sgt. Williams was separated from the US Army at Ft. Lagg, North Carolina recently after two years tour of duty serving in the 325th Regiment of the 82nd Airborne Infantry Regiment in Personnel, where he was Chief Clerk in the officers section.
Williams received his basic training at Ft. Lee, Virginia and advanced training at Ft. Benning, Ga. He was later sent to Ft. Bragg, N. C. where he served the past 19 months during which time as a paratrooper he made 22 jumps.
Enroute home from North Carolina, Sgt. and Mrs. Williams spent a week on tour visiting coastal cities in Fla. including Daytona Beach, Orlando and Tampa. They spent a day and night in New Orleans, La., and visited an Aunt and Uncle, Mr. and Mrs. George Weber over night at their home in Texas City.
Williams plans to enter Texas University in the Fall to begin a course in pre-law.

Cpl. W. J. Kachtik Serving in England

Cpl. William J. Kachtik, who left for overseas duty the latter part of February was assigned soon after arrival to the 20th F. B. W. at an Air Force Base in Weatherford, England.
His basic military training at Lackland AFB in San Antonio, and advanced training at Carswell AFB at Ft. Worth prepared him for specialized work in the Fire Dept. Chief.
Kachtik, with headquarters at Ft. Worth as a machinist operator on the Railroad in civilian life, is the son of Mr. and Mrs. Albert Kachtik of Buckholts. He entered the service in Oct. 1952.
The Kachtik's younger son, James L. Kachtik 20, enlisted with the Army Air Force recently and left Wednesday, after induction at Dallas for Lackland AFB where he will receive his basic training in the Air Force.

Howard Lewis, Former Buckholts Resident, Dies

Citizens of Buckholts were shocked and saddened when news came Monday of the sudden death of Howard Lewis, of Houston who is well known in that area. He died late Sunday night of a heart attack.
Mr. Lewis, son of the late J. T. Lewis was born and reared in Buckholts. He later married and moved to Houston where he and his wife, Bebe have made their home the past 30 years.
Funeral services were scheduled in Houston Tuesday afternoon.
His survivors are his wife, Bebe Lewis, and a son, Howard Lewis, Jr., and two grandchildren of Houston; a brother and sister, J. D. Lewis and Mrs. A. J. Walschak of Buckholts; other brothers and sisters are Floyd Lewis and Mrs. Lewis Brady, Austin; L. T. Lewis of Dallas; Summer Lewis, of Loving, New Mexico; Hickman, Leon and Floris (Kid) Lewis and Mrs. W. O. Love all of Ft. Worth.

Buckholts Community Meeting May 9

A Community meeting will be held Monday night May 9, at 8 p.m. in the Buckholts high school gymnasium.
The local Farm Bureau is sponsoring this meeting to be held in conjunction with the local PTA which will present a program on "Safety" the second in a series of safety programs now in progress.
Mr. Roy Ford, Field Representative with the Texas Power and Light Co. in charge of the program will speak on, "Safety in Home Electrification."
The 4-H group and HD club will also attend, and have a part on the program.
An invitation to attend is open to the public.
Jack Earl, the "Texas Giant", is the tallest man in the world; eight feet, six and one-half inches. Ysleta, near El Paso, Texas, was in Mexico when it was founded, but the Rio Grande changed its course, placing the town on the American side.

Yoe Band Walks Away With All Top Honors At Region III Meet

The Yoe High School band entered concert playing and sight-reading contests in the Region III Interscholastic League Band and contest in Waco April 29 and 30 and again made the top ratings of Division I in both of these contests.
Also entered from Cameron were 8 solo and small ensemble players, complete results follows:
Band concert playing, Rating I.
Band Sight-reading, Rating One.
In the Solo Class
Wayne Fisher, tuba (bass) solo,
Rating one; Carol Ann Sanders, clarinet solo, Rating One, Billie Nell Johnson, baritone solo, Rating One; Marye Horstmann, Piano solo, Rating One, Cornet trio—(Emory Camp, Nancy Grabein, Jean Bradbury)—Rating One.
French horn quartet—(Lawrence Tiller, Franklin Moore, Joyce Wallace, Peggy Burke)—Rating Two; Flute Quartet—(Nan Hubert, Jimmye Rao Colburn, Paula Thompson, Rita Reid)—Rating Two; and Trombone solo—Helen Armstrong,

Rating Two.

The Yoe High School band has placed no lower than the First Division Rating since the year 1937. This stretch of Rating One is probably equalled by no other band.

CARD OF THANKS

We sincerely wish to thank all of our neighbors and friends for the expressions of kindness showed to us at the loss of our loved one. Especially we want to thank those who sent flowers, foods, and cards of condolence. Also to Dr. C. Swift, and the Sisters and nurses of St. Edward Hospital who were so nice to us.

Cameron Girls Honored At TSCW Honor Day Program

Two Cameron girls were among those to be honored at the Honor's Day Assembly for outstanding scholarship recognition at Texas State College for Women April 28. They are Sara Esslinger, daughter of Mr. and Mrs. Andrew Esslinger, a sophomore English major and "Dean's List" student, and

Mr. and Mrs. Roy C. Hensley, of Route 1, a sophomore home economics, also a Dean's List student.

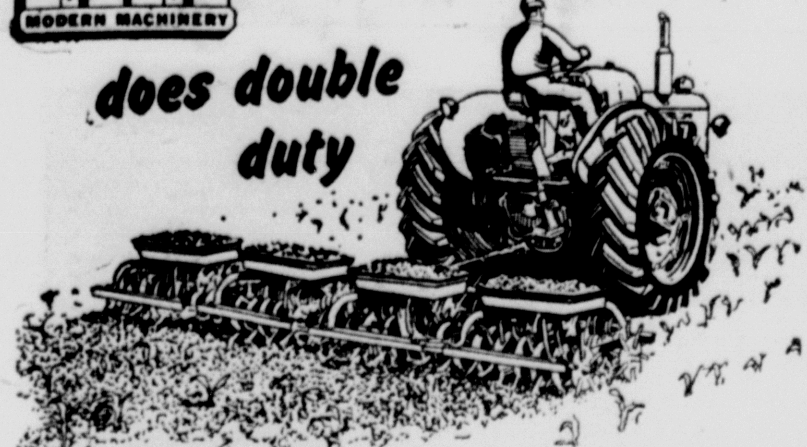

The Speaker was Dr. John A. Guinn, college president, who recognized all students who had achieved a high scholastic average this year.

Many employees are like a certain processed coffee; 98 per cent of the active ingredients have been removed from the bean.

RC Rotary Hoe

does double duty

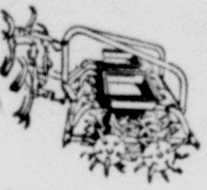

• SPEEDS UP EARLY CULTIVATION

You can cultivate crops at your fastest field speed with the RC rotary hoe or go at slower speeds when required. Eighteen-inch steel digger wheels get out just-starting weeds, break up soil crust formed after rains. Your crops get a good growing start. Digger wheels rotate independently on the gang axle.

• PACKS THE SOIL WHEN REVERSED

With the V-type hitch hooked at the rear, the RC rotary hoe becomes a packer. Used in this way, it gets down through trash and packs around the seed. Surface soil is not finely pulverized; small lumps thrown up on the surface help to prevent soil loss from drifting and blowing.

Features: All-steel construction. Each 42-inch section has two gangs of seven digger wheels with 10-inch replaceable steel fingers. . . . Whether one, two, three, four, or five sections are used each section follows ground contours. . . . Oil-impregnated wood bearings never need oiling. . . . Deep pan weight boxes are regular equipment.

FOR 3-POINT HITCHES

Two-section RC rotary hoe is available for 3-point hitches. Lifts off ground for easy transport and turning. Fits the Minneapolis-Moline QO Hitcher and other 3-point hitches.

Stop in and see the Minneapolis-Moline RC Rotary Hoe.

Rosebud, Texas

GOVERNOR ALLAN SHIVERS and Pat Taggart, Waco, Council Campaign Chairman for the Heart O'Texas Council, Boy Scouts of America, to be carried out in October, discuss plans for the coordination of all council campaigns in Texas at a recent meeting in Austin. Twenty-four councils in Texas, covering the entire state will kick off on October 25.

Only Few Days Left Till End Of Broiler Show

Just a few days remain before the 1955 Broiler Contest, sponsored by the Chamber of Commerce, reaching its climax. The nine week contest will be concluded by the judging at the Vocational Agricultural Building at Yoe High school.

Fifty boys, sponsored by various merchants and individuals from this general vicinity, were each presented 50 baby chicks in March and on May 7 they will have their best pen of five ready to be judged for honors.

Leo Fuchs, Chairman of the Poultry Committee, stated that 25 of the 50-grower-contestants will receive award money this year and several will receive certificates of merit.

After the judging a banquet will be held that same night in the Vocational Building to honor the winners and their sponsors.

Members of the Arrangements Committee are: Leo Fuchs, J. D.

Moore, Leroy Thompson, Charles Brady, Sr., and Drayton McLane.

T P & L Wins Top Honors In 1954

Top honors in two classifications of its business have been awarded to Texas Power & Light Company for records made in 1954.

The awards were made by the Edison Electric Institute in national contest conducted for major electric utilities.

The Thomas W. Martin Award, considered the top honor in rural electric service, went to Texas Power & Light Company for that Company's agricultural program in 1954. At the same time the Company received the George W. Hughes Award for outstanding achievement in promoting commercial electric cooking.

The Martin award is based on five points: agricultural advancement within the Company area, due to increased use of electricity; the Company's plan and organization for conducting a rural development program for a more prosperous agriculture; cooperation with other agencies, such as 4-H Clubs, Extension Service, and others concerned with improving farming and living standards; standard of service to farm customers, including new engineering developments on rural lines; and development farm road.

The Hughes award includes accomplishments in load building in view of the potentials of the mar-

ket; merchandising program and sales methods used to promote the sale of equipment; sales training programs for the Company and the dealers; cooperation with architects, contractors, and engineers in promoting electric cooking equipment; demonstrations and display; and advertising and publicity on commercial electric cooking.

Both awards were presented at the Edison Electric Institute conference in Chicago.

Jones, Michalka To Enter State TIL Meet May 7

Two Cameron school students will enter the State Interscholastic League Meet in Austin on May 7. S. M. Layfield, principal of Yoe High School, announced.

Rosemary Jones, Senior declaimer, received first place in the Regional Interscholastic meet held last weekend in San Marcos. She will represent Cameron in the Senior Declamation department.

Also entering state competition is Frances Michalka, who won a sectional meet.

Emory Camp and Wayne Fisher, senior boys debaters from Cameron topped a second place in the Regional contest also, but only the first place team is eligible to enter the State meet.

Two other Cameron students also entered the regional meet, Ann Wimberly in shorthand and John Carroll Russell in senior boys singles tennis.

Sharp Jr. - Sr's. Have Annual Banquet Saturday

The Seniors of Sharp School will special guests at the Junior-Senior Banquet given in their honor Saturday night, April 23 at Sharp. The theme for decoration was Hawaiian. Bob Garner presided as Master of Ceremonies.

The invocation was given by Mrs. E. Norton. The class history was read by Marie Crouch and the class will by Glenn Bean. Peggy Lawrence gave the class prophecy and Shirley Drummond proposed a toast to the Seniors. G. M. Lamb gave the benediction.

The guests were: Mr. and Mrs. M. E. Norton, Mr. and Mrs. G. M. Lamb, Mr. and Mrs. D. D. Hine, Mr. and Mrs. W. R. Bunker, Mr. and Mrs. Marvin Slovacek, Mr. and Mrs. R. B. Caraway, Beverly Schwarz, Mary Jo Harbux, Marie Crouch, Merle Charles, Marjorie Johle, Garlon Lawrence, Jr., Lee Roy Kohring, Terry Shelton, Glenn Bean, James Janke, Marvin Nemece, Peggy Lawrence, Weldon Doskocil, Betty Kraatz, Shirley Drummond, Jane Cortez, Mozelle Shelton, Anita Caffey, Bob Garner, John Culp, Betty Eubanks, Johnny Caffey, Wayne Dokocil, Wayne Caffey, Yvonne Cryer, Bobby Lawrence, Nash Rodriguez, Denison Crouch.

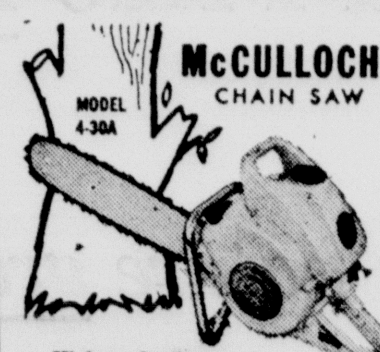

The servers were Velma Crow, Kathryn Bales, Janet Janke, Robert Piope, David Pope, Dennis Shelton, Raymond Rydell. The girls were bathing suits and grass beach combers.

Nancy Baggett provides entertainment. She gave a ballet and a tap dance.

Favors were Hawaiian leis and nut cups.

The menu was: Fried fish, creamed potatoes, tossed salad stuffed celery, beets, hot rolls, iced tea, and Pineapple pie a la mode.

After the Banquet the group went to the gym and danced for several hours.

NEIGHBOR— unfamiliar school. A day after returning home, he received a telegram requesting him to report to another location immediately to start work on the post office there. With the telegram came the realization that he was tired of moving about the country separated from his family for long periods of time. He sent a wire back refusing to take the job and so ended his relationship with the government.

John was born near Emporia, Kansas, on January 7, 1871. He came from a family of seven, having three brothers and four sisters. As was the case of many in the days of his youth, he received very little "schooling", but had to go to work at an early age in order to carry his share of the family expenses.

Sallie May Phenix was born in Emporia on October 13, 1876. She had 4 sisters and 3 brothers. When she was fifteen she met John Frank in Emporia and two years later on August 29, 1893, they were married. The Browns had five children, two girls and three boys. The youngest, Frank Jr., was three when the family moved to Cameron.

In Cameron the first job Mr. Brown encountered was that of building an oil derrick. After working in Cameron for a shot while, he went into business for himself as a contractor. That was in 1919. He had great success in his business and was Cameron's leading contractor for many years.

"Of course," says Mr. Brown, there were hard times, like the depression, for example, but we stuck together and managed to make it through."

Buildings built by him include Cameron's first Country Club, the Chevrolet agency building, Hefley-Stedman Motor Company's building, the old Dodge Agency as well as the hundreds of homes constructed during his career.

Having operated his business in Cameron for 32 years, at the age of 78 he decided to retire. Not only had he built fine homes during his career, but he had also built himself a reputation as a public spirited citizen and an able-bodied worker. He served on the City Council for 12 years and was Plumbing, Electrical and Gas Inspector for 15 years.

In January of 1953, Mr. Brown underwent an operation for cancer in the right shoulder at Scott and White Hospital in Temple. Dr.

Brindley, a leading cancer specialist, operated for the second time in July of the same year. Today at 84, Mr. Brown is completely cured.

Two of their sons are living in Waco, while the other son is employed by Shell Oil Company of Houston as a mechanical technician. Their daughters are Mrs. Mrs. Penn Wolf and Mrs. D. H. Jenkins, both of Cameron.

An amusing incident which many of Cameron's townspeople probably remember is that of the Brown's 60th wedding anniversary which they celebrated in 1953.

Their daughter-in-law was in the hospital in Temple and their son drove them up to see her.

After a slow trip, the Browns arrived in Temple and their son drove them up to see her.

"We were trying to keep them from buying us a lot of presents," says Mrs. Brown, "but we were the ones who got fooled in the end."

"I noticed that we were making an awfully slow trip, but I didn't realize that they were planning a surprise party until I saw all the cars around the house."

FIREMEN— department, said that the matter of an investigation would be brought up at the next board of directors meetings and their findings would be reported at the next regular firemen's meeting.

Massey suggested that the investigation, if found necessary, be held at the beginning of the next school term.

During the regular meeting which followed a letter of appreciation from Alcoa for the local Fire Department's assistance during its recent fire. Accompanying the letter was a check in the amount of \$200.

John Andres reported that the watches for the outstanding high school students had been purchased.

The point was brought up that Cameron is only listed as having two fire trucks and one paid fireman in Austin and means to correct the discrepancy were discussed.

A committee of August Horstmann, Henry Michalka and John Eanes was appointed to make an investigation of the pumps on the trucks and see if they could be made to handle more gallonage of water per minute. Their report will be made at the next regular meeting.

In a final statement Wiggs pointed out to the convened firemen that the investigation proposed had only one final result in mind, the saving of lives and property. Massey added that there would be no inspection of any building without the permission of the owner and that the entire program is paid for by the Fieldmens Association.

At the conclusion of the program a representative of the Southwestern Bell Telephone Company was introduced. He explained that the Cameron Fire Department and the Cameron Herald were in for some good publicity on the Southwestern Bell Telephone TV program, "High lights of Texas."

He stated that the program, depicting the work of the firemen would be shown in about two months, after the film was completed, and that a print of the film would be sent here for local use.

CLARKSON NEWS

Mrs. J. H. Blasienz
Mrs. John Matyastik and daughter, Nancy, joined by Mrs. E. S. Miller and children and Earl Fritz and daughter Hellen of Meeks visited Mrs. Minnie Feevers of Waco last Sunday, who was seriously ill.
